

Galileo® Pre-K Online: Learning on Demand and Tutorial Videos

The online help files contain a wealth of resources, both video and handouts, to help you utilize *Galileo Pre-K*. A Learning on Demand video is a recorded webinar, ranging from 30-60 minutes. A Tutorial video is a short tutorial recording, ranging just a few to several minutes, that explains the functionality of a particular page.

ACCESS

Quick links to recorded Learning on Demand sessions are found on the *Learning on Demand Sessions and Tutorial Recordings* page in the online help files.

PAST RECORDED SESSIONS

Category: **Assessments/Observations**
